

## Newsome Academy

### Online Learning – Closure

10<sup>th</sup> March 2023

Dear Parents and Carers,

We write to you regarding arrangements in place to support your child's learning while the school is closed due to snow and icy weather on Friday 10<sup>th</sup> March.

#### Knowledge Organisers for Years 7, 8 and 9

All students have a paper copy of their HT1-4 Knowledge Organisers, which include all the key knowledge they need to learn in all their subject areas.

They can complete the challenge activities listed and/or use the link below to access the online version of the latest one which has links to additional activities.

Digital versions of the Half-Term 4 knowledge organisers:

- Year 7 Half-Term 4 - <https://newsomeacademy.co.uk/wp-content/uploads/Year-7-KOs-HT4.pdf>
- Year 8 Half-Term 4 - <https://newsomeacademy.co.uk/wp-content/uploads/Year-8-KOs-HT4.pdf>
- Year 9 Half-Term 4 - <https://newsomeacademy.co.uk/wp-content/uploads/Year-9-KOs-HT4.pdf>

All students should also have a library book so this would be a great time to get cosy and continue reading.

#### Online Learning for Years 10 and 11

Students will find their class assignments on Microsoft Teams (see user guides below).

Students can log in with their school email address and password ([n#####@newsomeacademy.co.uk](mailto:n#####@newsomeacademy.co.uk)) They can connect with their class where their assignments will be posted along with helpful resources. Please watch these helpful demos to get started:

- <https://youtu.be/Zoc78NKvTK0> - Installing Teams
- [https://youtu.be/jx36qQf\\_Qpk](https://youtu.be/jx36qQf_Qpk) - Navigating Teams
- <https://youtu.be/ARLONxW8o4g> - Completing Assignments

They should continue with their usual revision resources if they have issues with Teams, e.g. GCSEPod, GCSE Bitesize, Educake, MathsWatch, Languagenut etc.

Yours faithfully,

Mrs L. Morgan - Deputy Headteacher Achievement
