

## Revision Timetable

12th May 2023

Dear parent/carer,

As part of our ongoing efforts to support year 11 we will be offering additional revision and exam preparation over the coming weeks. This will be through both the revision timetable within school and additional weekend and holiday sessions.

From Monday the 15<sup>th</sup> May, year 11 students will now follow a revision timetable during the school day to provide subjects with time to ready pupils for exams. This is a successful system we have used previously that gives pupils the best possible preparation for each assessment. For example, on Monday 15<sup>th</sup> year 11 students will be in Science for the full day to prepare them for Tuesday morning's Biology Paper 1. The revision timetable and the exam timetable can be found [here](#) on our website.

The weekend and holiday sessions will focus on vital exam techniques and content. All our students are encouraged to attend as many sessions as possible, however, should any student choose not to engage in the sessions or to disrupt the learning of others, then they may be asked to leave early.

The sessions will run on the following days:

- **French: Saturday 13<sup>th</sup> May 9am – 12pm**
- **English: Friday 2<sup>nd</sup> June 9am – 12pm**
- **French: Friday 2<sup>nd</sup> June 12pm – 3pm**

Students should enter through reception and will be greeted there by a staff member.

We hope to see your son/daughter at as many of the holiday sessions as possible.

Yours faithfully,

Joshua Jesson

Assistant Head for Learning
