

**Newsome's International Bake-Off in aid of Macmillan Cancer Support - Friday 29th
September 2023**

Dear Parents and Carers,

We will be hosting our annual **International Bake-Off** during Languages week on **Friday 29th September**.

We are inviting students and staff to bring in sweet or savoury baked goods to enter our competition. The bakes should be linked to a country in either recipe or theme. There will be prizes for best tasting sweet bake, best tasting savoury bake, best decorated bake and best theme.

We will also be selling some of the treats during social times. If your child doesn't want to be part of the competition, they can participate by buying a treat priced between 50p and £1 per item. All money raised will be donated to Macmillan Cancer Support.

Yours faithfully,

Leanne Morgan
