The Trust is on a mission to improve the life chances of children and young people and improve social mobility for the disadvantaged. Our vision is to be a Trust where hearts and minds connect; values-driven partners working collaboratively to ensure education impacts positively on students, families, communities and staff. Impact Academies are aligned to the Trust Mission, Vision and Aims. Our Academies have individual identities which reflect the diverse communities they serve. They have the autonomy to create, explore and learn from different practices and our Headteachers believe that leadership and personal accountability are founded on self-direction and reflection. We believe that collaborative leadership and strong partnership development can lead to significant positive impact on the quality of education through sharing the best collective practice. Our values of Heart, Mind and Connect underpin everything we do and our Core Principles and Aims articulate how we will live these out.
