

GCSE REVISION SCHEDULE

IMPORTANT INFORMATION FOR ALL YEAR GROUPS

Dear Families

This week, our Year 11 students will embark on their GCSE Examination. Each year we create a specialised timetable which involves Year 11 having their Subject Specialist Teacher right before their exam. This helps memory recall and gives confidence in each exam. This approach is in its 5th year running and has proven itself to have positive impacts on achievement.

When the revision schedule comes into effect (this week), all students in Years 7-10 will have teachers from other areas of school in their lessons. Lessons will run as normal, and work is set in-line with our Learning Model process.

This process will start this Thursday in readiness for the first full exam which is Biology. Remember the GCSE Exam Timetable was shared and can be located [here](#).

Students have been told about this and the importance of it. Ultimately, all students will have the same benefits when they reach Year 11.

Yours faithfully

Dean Watkin
Headteacher
