

COMMUNITY MEMO: YEAR 10 MARCH MOCK (CORE) EXAMS

13TH FEBRUARY 2025

To all Year 10 Families

You will know from our previous communication that we are preparing your child for success earlier this year and they will be sitting Mock GCSE Examinations for core subjects (English, Maths & Science) next week.

Please refer to the following to support discussions with your child:

- Refer to the Mock exam timetable on the next page.
- Ensure your child has their own personal revision timetable at home in which you can discuss with them.
- Aid your child in further preparing for these exams by referring to the [Study Guide](#) document which has been referred to throughout this year.
- Go through what exam board they are following for all their subjects.
- **Students will receive their results at a special evening. This will be shared in future communication.**

We wish all year 10 the very best for these important pre-examinations.
