Last week

Year 9 had a fun filled and thought provoking Careers day. This involved working in teams to create a business plan for a new product. The students worked really hard to make their ideas come to life!

Early Careers

This week

All week students have had the opportunity to take part in different events raising money for Comic Relief. This culminated in a non-uniform day on Friday for Red Nose Day.

Next week

Our extra curricular timetable will be back up and running. We would love to see Year 9 students taking advantage of this fantastic opportunity. Go to our website for all the latest clubs and activities.
