As we reach the end of another busy term, I include some useful dates in which families can easily refer to.

This term has been yet another fantastic one and even after 8 years of being Headteacher, I am still amazed, inspired and proud of what our children and staff achieve. All of this can be seen on our X account or on our website homepage.

Next term will see our lovely Year 11 students embark on their GCSE Examinations and there will be an array of timetable changes to further support them in these.

Remember this break will be a slightly longer one with the Bank Holiday being on Monday 21st April.

Thank you for your ongoing support in keeping Newsome an exceptional place to learn.

Have a fantastic break!

- ✓ **Read the next pages for additional updates.**
- ✓ **Click here to see a video recording of this message.**

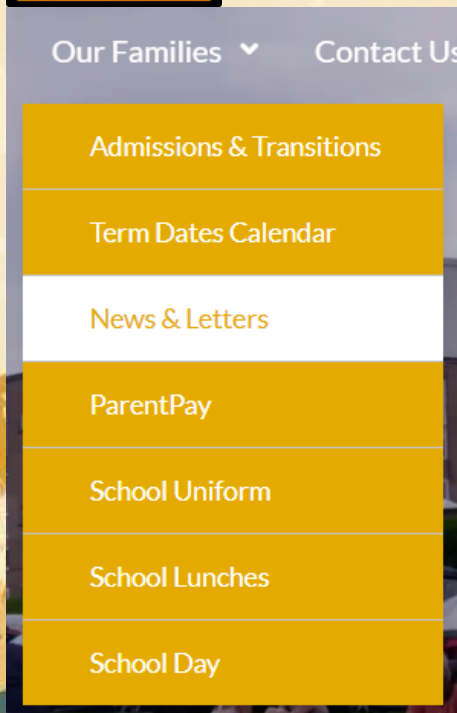

- We finish for the break on Friday 4th April and this is a normal school day.
- Monday 21st April is a Bank Holiday and school is closed to ALL students.
- We return on Tuesday 22nd April at normal school times.
- Throughout the break, Teachers will be running revision sessions for Year 11 students. You will get the same next year!
- Year 11 start their official GCSE Exams from 1st May. You will see a change in your Teachers as they enter the 'Revision Schedule' and prepare Year 11 for each exam. They follow a formal national GCSE timetable.

IMPORTANT UPDATE ON COMMUNICATION

Our families will be well aware that the communication you receive from Newsome is like no other and we pride ourselves on excellent school-home communication. The list to the right (taken from our website) shows how much we go above and beyond to update our families and keep them connected. This term, we have gone one-step further and included additional year-group specific Newsletters to further enhance our communication.

NEED-TO-KNOW

Families will now be aware that we are moving away from sending SMS messages on our various school updates and these will now be sent via email and through our school App (see below). **This will be the final communication sent by SMS.**

All our communication is located on our website under the 'Our Families' drop-down' menu and then navigate to the current half-term. Please check that you have completed the below list.

- ✓ Ensure we have your correct and up-to-date email address. It is the responsibility of families to ensure they are keeping information correct and live.
- ✓ Families should contact the school if they are not receiving emails.
- ✓ [Click here](#) to read the previously sent letter about connecting through our communication App.
