Last Week

Before the Easter holidays students continued with their lessons and were getting prepared for 2 weeks off from school.

We hope everyone had a great Easter!

This Week

In our first week back, students had a seminar on William Shakespeare. Students had to guess if quotes were from the modern era of Hip Hop or the Bard himself! Here's an example:
'To destroy the beauty from which one came!
Hip Hop or Shakespeare?

Next Week

Students will have a seminar reminding them of Academy routines. This will focus on behaviour around the Academy and uniform standards. We will also be drawing our latest winners for 100% attendance in half term 4!
