Last Week

In our first week back, students had a seminar on William Shakespeare. Students had to guess if quotes were from the modern era of Hip Hop or the Bard himself! Here's an example:
'To destroy the beauty from which one came.'
Hip Hop or Shakespeare?

This Week

Students had a seminar reminding them of Academy routines. This focussed on behaviour around the Academy and uniform standards. We will also draw the 100% attendance winners – No winner from Y9 this time but lets all keep pushing for 100% attendance!!

Next Week

No school on Monday
Food tech students in 9NFTA & 9SFTA need the following ingredients next week:
200g plain flour, 100g butter, 250g sausage meat or 6 sausages (they do not have to be pork sausages). Alternative filling is grated cheese and chopped onion.
