Last Week

Student seminars on Routines gave students a clear insight into expectations in and around the Academy. One specific area families can help with is equipment. Please ensure your child is fully equipped every day.

This Week

We joined the country, Europe and the world, to celebrate **Victory in Europe Day on the 8th of May**, in our contextualised reading seminar and our RSE seminar and learnt about the importance and relevance of this **80th anniversary** celebration!

Next Week

It is mental health awareness week. Students will receive information around this important area, including who to talk to in school and also external agencies that can help. If your child has any questions around this area, ask them to see Mrs Fletcher.
