YEAR 7 MEMO: 9th MAY 2025

LAST WEEK

Year 7 weekly
attendance:
95.18%
AMAZING!!!

Attendance at school is extremely important in ensuring that all students succeed in their learning. Well done year 7 – 95.18% is a great achievement!

ATTENDANCE
MATTERS

THIS WEEK

Culture day took place on Friday 23rd May and students had a seminar on culture. Seeing the colours and combinations of traditional dress worn by our students was incredible to see.

Our year 7 reward seminar took place on Thursday 22nd May. Many students received certificates and rewards for their exceptional efforts this half term – well done everyone!

NEXT WEEK

As we enter HT6 – the final term of the school year – students will begin preparing for end of year assessments. Please support your child at home in preparation for these by using their knowledge organisers for revision.

World Environment Day takes place on Thursday 5th June. Students will celebrate this in their weekly seminar session.

GCSE exams continue. Thank you to all for showing respect to our year 11 students during this time.
