

LAST WEEK

Students explored the theme of **Mental Health Awareness** week and our **Wellbeing Ambassadors** received their certificates and badges as they have completed all of the relevant training. This year we celebrated how 'community' helps our mental health!

THIS WEEK

World **Culture Day** is celebrated every year on Wednesday the 21st of May and to celebrate we encouraged students to come into school in their culture clothes. Students will be able to vote for the best dressed outfit! Promoting '**Mutual Respect**' is what we do at Newsome.

NEXT WEEK

Students will be learning all about **World Environment Day** when we return after half-term alongside what careers they may pursue in this field! In the meantime, we hope you all have a lovely half-term break!
