Last Week

We hope everyon had a good half term and got fully refreshed ready for this last Summer term.

This Week

We were straight back into it! Lots to do and lots to prepare before the end of the year.
Friday we had a number of students on their Bronze DofE training course.
Well done to all those involved.

Next Week

It is Year 9's turn for the Kirklees schools athletics. On Tuesday afternoon, a group of selected students will go to Leeds Road playing fields to represent Newsome Academy. Good luck to all involved.
