

## Year 9 End of Year Examinations

16<sup>th</sup> June 2025

Dear Parents and Carers,

As your child approaches the end of year 9, our attention turns to getting them fully prepared for Key Stage 4 and the GCSE curriculums that they will be starting next year; as we all know time flies!

Your child has been preparing for their end of year assessments in which some will be taking place in exam conditions in the exam hall. These will mirror the procedures for the 'real' exams so that they can begin to understand and become familiar with the process. The core subject examinations (English, Maths and Science) will take place in the exam hall during period 5 sessions (2-3pm). The timetable is outlined below. All other subjects will take place in normal lesson times in classrooms. Examination adjustments will be made for those students that require them.

Please see our study guide [here](#) which outlines the exam boards we use and a range of useful resources that support revision.

### Y9 End of Year Exam Calendar:

#### Week 1

	Period 5 (2-3pm)
<b>Monday 16<sup>th</sup> June</b>	
<b>Tuesday 17<sup>th</sup> June</b>
