

FOOD INGREDIENTS

Pizza Swirls

- 225g plain flour, plus extra to dust
- 100g butter or margarine, chilled and diced, plus extra for greasing
- 3 tbsp tomato puree or pesto
- 40g Cheddar, grated

School will provide:
1 tsp dried oregano
1 egg, beaten

LAST WEEK

We celebrated our great achievements as a school community with outstanding attendance results. We came in the top 25% of schools in the UK!

Our **year 7 attendance** last week was 88.72%. This is the lowest it's been for a long time. Attendance matters right until the end of term!

THIS WEEK

Students have been cooking **pizza swirls in food tech**. This will continue next week too. Ingredients are included here, in knowledge organisers and on the Food Tech noticeboard in school.

There has been an increase in low level disruption in year 7. Students are receiving consequences for talking in lesson and for not following school expectations. It's really important that students remember our core values of **Respect, Integrity, Teamwork and aspiration** at all times in school.

NEXT WEEK

GCSE Exams will finish in school and we will say Goodbye to our year 11 students as they begin the next stage in their education.

Students will begin learning about **exam etiquette** ahead of their end of year assessments.

On Wednesday - National 'Thank a Teacher' Day - we want to **thank every single staff member** in school for all of their hard work each and every day! Thank you!
