

COMMUNITY MEMO: PERIOD 6 LEARNING

MEMO SENT: 16TH DECEMBER 2025

Huge congratulations to the vast majority of Y11 students and families that have successfully engaged their child in the expected Period 6 'above and beyond' offer that we run to ensure success and support progress. So far this is extremely successful!

- ✓ For a small minority, some children are putting you and 'us' in unnecessary situations when putting last-minute and uninformed 'reasons' for not being able to attend.
- ✓ This results in time taken to call families and 'work through' the last minute 'reasons' for not being able to attend.
- ✓ This also often embarrasses you, your child and me when we are having to 'navigate' the (all of a sudden) reason for not attending.

My constant and regular messages and communication to families is stored to evidence the 'above and beyond' approaches that we offer – and indeed the sessions we have ran giving you advance notice. If the above points include you and your child – please respect our communication and indeed importance of any time taken away from those that 'want' by having to 'chase' those that simply don't want to succeed. **Our families (and students) that are engaging will appreciate this public message to see how we evidence and indeed challenge for GCSE success – and record all the steps taken to achieve the very best for this important year.**

- ✓ **Discuss with your family** the qualifications you are studying.
- ✓ Ensure your family **know your next Mock exams.**
- ✓ **Complete a Revision Timetable** for the 2 weeks you are off.
- ✓ **Use the revision links** in the Study Support Pack.

WELL DONE!

Period 6: 2025-2026

- ✓ Free Tuition – by people who know your child best!
- ✓ Shared many months in advance with students and families.
- ✓ Commenced Monday November 17th following completion of Mocks.
- ✓ Attendance registered – and tracked – on Bromcom.
- ✓ Unauthorised absence to P6 may be sanctioned.
- ✓ Attendance will be a factor in attendance to prom.
- ✓ Responding to QLA from in-class assessments and Mocks examinations.
