Term 1 Update

To all Year 9 Families,

Mr Mitchell and I just wanted to give you an update on this first term and some upcoming events.. We have had lots of success in our year group, both in and out of school. Students competing and winning various sporting activities, students taking part in STEM events, students visiting local primary schools to help with reading activities and many many more.

The Year 9 as a group have also managed to achieve the best overall attendance in school with a number of teams having weekly 100% attendance.

After Christmas, our biggest event will be the options evening. Students need to start (if they haven't already) thinking about what they want to do for their GCSE courses. Please talk to your child about this and help them with this important decision. There will be lots of information coming about this to help with the process.

Finally, we hope you all have a fantastic Christmas and New Year.

Ms Parsonage and Mr Mitchell
