PRESS RELEASE

25th February 2026

Impact Education Multi Academy Trust and Pennine Academies Yorkshire Partnering Plans Approved by the Department for Education

Impact Education Multi Academy Trust and Pennine Academies Yorkshire are proud to announce that the Department of Education (DfE) has officially approved their application to partner and become one larger Multi-Academy Trust.

The partnership which will go forward under the Impact Education Multi Academy Trust name will be one of the largest non-faith Trusts in West Yorkshire, with 18 Academies, 8,200 pupils, and over 1,200 staff.

Together Impact Education Multi Academy Trust's schools will benefit from:

- Improved outcomes and experience for their pupils
- Stronger expertise in SEND and school improvement
- Greater talent development through enhanced career and collaboration opportunities
- Improved resilience via shared resources and financial efficiencies
- Wider reach across Bradford, Calderdale and Kirkstotes

Rooted in shared values of inclusivity, collaboration, and excellence, this is a natural next step and an exciting one for all involved.

Impact Education Multi Academy Trust and Pennine Academies Yorkshire will now begin working towards officially partnering in September 2026.

Mick Kay, Chief Executive Officer, Impact Education Multi-Academy Trust said, "We are all absolutely thrilled to receive approval from the Department for Education to officially partner with Pennine Academies Yorkshire, who share our commitment to inclusive, high-quality education - particularly for disadvantaged pupils and those with special educational needs.

RED NOSE WEEK! 20th to 26th of March 2026
22nd February 2026

NEWSOME ACADEMY'S Just Giving Page

Dear Parents/Carers,
We will be celebrating **COVID RELEF Day/Week 2026** for an entire week here at Newsome Academy with the theme this year of **'Take yourself time for money'**.

We welcome your fabulous support in entering us at least under the £250 mark left for Love a Robot! Alternatively, which you can, for the first time, check by copying the QR code at the top of this letter. All donations no matter how small or LARGE, will make a considerable difference to those that fortunate than us, and especially in an celebrate **RAMADAN** and **LENO**, this is a time when 'Star Gazing' counts.

So, what do the Newsome staff have up their sleeves ... for this week?

MONDAY 16th of March

- **LAUNCH OF** 2pm hour marks events are in the 'air' so favourite event from last year and the person who pushes the red nose around during week five (week 5). We will also have a sweet 'bunch' of £2 a strip - both these events will run all week, and the winner will be announced on Friday 19th May!

TUESDAY 17th of March

- **Really Good!** with staff in goal! For 15 students will be able to live up to 3 days in the staff in the goal and should you score a hat-trick, your child will receive a certificate and a treat.

 Comic Relief - Red Nose Day 2026

Dear Parents/Carers,

We will be celebrating COMIC RELIEF Day/Week 2026 for an entire week here at Newsome Academy with the theme this year of 'Take yourself funny for money'.

We welcome your fabulous support in ensuring that we, at least, make the £250 mark set by Comic Relief themselves, which you can, for the first time, check by scanning the QR code at the top of this letter. All donations no matter how small or LARGE, will make a considerable difference to those less fortunate than us and especially, as we celebrate RAMADAN and LENT, this is a time when 'Just Giving' counts.

So, what do the Newsome staff have up their sleeves ... for this week?

MONDAY 16th of March

- **LAUNCH of 'guess how many sweets are in the jar'** (a favourite event from last year and the person who guesses the nearest amount simply wins the sweets). We will also have a sweet hamper at £1 a strip – both these events will run all week, and the winners will be announced on Finale Friday!

TUESDAY 17th of March

- **Penalty shoot-out** with staff in goal! For £1, students will be able to fire up to 3 shots at the staff member in the goal, and should you score a hat-trick, your child will receive a certificate and a treat.

WEDNESDAY 18th of March

- **Crazy hair and accessories day** – students must wear their uniform as usual with a twist for £1

FRIDAY 20th of March –donation FINALE

- **CULTURE DAY** – on Friday the 20th – to celebrate all cultures, especially for those celebrating EID, we encourage all students and staff to wear cultural clothes for the normal £1 donation on the day!
- **FREE FINALE** on Friday the 20th in the morning, where KS3 and KS4 will have separate concerts by the **MERCIAINS** – an up-and-coming band – please check them out [here](#) - you won't want to miss this!
- **STAFF MASKED SINGER** – Period 5 on the 20th in the Lecture Theatre, however there are only 170 tickets available, and they will be sold on a first come first serve basis at the gifted cost of £1.50, especially sold by Ms Carter herself!

With all the above and more, and the reason why we are running this charity event all week, is to ensure all students have the chance to participate in any or all of the events and to ultimately raise as much money as we can, so please encourage your child to bring in their donations.

As always, thank you for your continued support and please do use the QR code to donate yourselves!

Yours faithfully,

Mrs K Stokes
 Assistant Headteacher

WITH THE

FUTURE

National Careers Week 2026 is an annual week-long celebration of careers information, advice and guidance.

About the event

The aim of National Careers Week is to get everyone thinking about the importance of careers guidance in helping people make decisions about the future.

So, how do you decide on a career that's right for you? There are some activities on the 'My Directions' website which will help you with your career ideas, and with finding out about the routes you can take to get the job you want.

Before doing the activities, let's listen to what C+K careers adviser Danny has to say about planning your future and check out how much you already know about about careers by doing our National Careers Week quiz!

All resources have been taken from the C&K Careers website: [MyDirections | National Careers Week - 2 to 7 March 2026](#)

What advice would you give?

The following five young people are at school and are in a year group where they have to make some career decisions. This could be about the subjects they are going to study or what they are going to do after leaving school.

See if you can help them with the decisions they have to make.

What advice would you give?

Ayesha is in Year 9 and will be choosing her GCSE options soon. These are the subjects she will study up to Year 11.

She enjoys watching TV programmes about hospitals and the ambulance service.

She wants to be a doctor when she is older.

Which subjects would you advise her to pick?

What advice would you give?

Sam is in Year 9 and choosing his GCSE options.
In his spare time, he plays basketball and football.
His dream job is to be a professional basketball player.

Which subjects would you advise him to pick?

What advice would you give?

Jack is in Year 11 and is thinking about what he will do when he has finished his GCSEs.

He enjoys practical subjects in school and has a part-time job working in the kitchen at a local café. The café owner has offered Jack a full-time job, starting in July.

What advice would you give to Jack?

What advice would you give?

Olivia is in Year 11. She will be leaving school this year and going to college. She is deciding which subjects to study when she goes there.

She enjoys science subjects and geography. She is interested in being a marine biologist, or something similar.

Which subjects would you advise her to study at college?

What advice would you give?

Mohammed is currently in the sixth form studying English, art and psychology A levels.

In Year 12 he did some work experience at an accountancy firm and has decided that he wants to train as an accountant, by doing a higher or degree apprenticeship. He is worried that he won't get an accountancy apprenticeship because he hasn't studied A level maths.

What would you advise him to do?

Next slides for the answers...

Answers

Ayesha is in Year 9 and is interested in a medical career and wants help with which GCSEs to pick.

Answer: Most universities will ask for good grades in GCSE English, maths and triple science for entry to medicine degrees.

For her other GCSE options, Ayesha could take a broad range of subjects that she enjoys. This will help to keep her options open for other careers, in case she changes her mind about training to be a doctor.

Ayesha could look at www.healthcareers.nhs.uk/explore-roles for more information about the qualifications needed to be a doctor and to do other jobs in the NHS.

Answers

Sam is in Year 9 and is interested in being a professional sports person and wants help with which GCSEs to pick.

Answer: Although not essential, doing **PE or sport** could be helpful for his future career.

For his other option choices, Sam should take a broad range of subjects that he enjoys. This will help to keep his options open for other career areas.

Sam could check out information about other jobs in sport at <https://nationalcareers.service.gov.uk/explore-careers>

Answers

Jack is in Year 11 and has been offered a job in a café when he leaves school.

Answer: Under Raising the Participation Age (RPA) rules, young people must stay in learning until they are 18. This means studying full-time at a college, sixth form or doing an apprenticeship. Jack should check with the café owner to see if he could do an apprenticeship with them. If the café owner is not offering an apprenticeship, Jack could look at other options. Apprenticeships are likely to be available at other cafés or restaurants. Or Jack could apply to college to do a full-time hospitality and/or catering course.

Answers

Olivia is in Year 11 and interested in a career in marine biology. She is choosing what subjects to study at college after Year 11.

Answer: The usual route into this career would be to study marine biology or a related science subject at university. To study marine biology at university you usually need to have studied one or two science A levels. Olivia should check university entry requirements at www.ucas.com and think about the subjects she would prefer to do at college.

Answers

Mohammed is in Year 12 and is interested in training to be an accountant, by doing an apprenticeship, but he hasn't taken A level maths.

Answer: Mohammed could start looking for accountancy apprenticeship vacancies at www.gov.uk/apply-apprenticeship and checking out the qualifications employers are asking for. He might find that some of them are not asking for specific A level subjects. Because employers set their own entry requirements for apprenticeships, each one could be asking for different qualifications.
