

## Summer Uniform

15<sup>TH</sup> April 2026

Dear Families,

During Half term 5 and 6 (and HT1 in adverse weather – this would be communicated with families) students are permitted to wear black tailored or smart shorts (NOT football shorts, swim shorts, combat shorts or any shorts with logos and/or modifications) and knee-length skirts without tights.

Alongside this, we will be introducing an optional Newsome Academy polo shirt. This will be a black polo shirt with the academy logo and will not be year group specific so can be worn over multiple summer terms. Students will be allowed to wear this instead of a shirt, Academy provided tie and jumper.

Students may wish to wear their usual uniform but during times of adverse weather students will be encouraged to remove ties, jumpers and/or blazers so they are comfortable. We do not want weather conditions impeding on the students learning.

The polo shirts are available via ParentPay at a cost of £8 per polo shirt. Once purchased, your child can collect their polo shirt(s) from the main reception.

Yours faithfully,

Mr Mitchell

Assistant Headteacher
