**YEAR 10 JUNE MOCK EXAMS**

# Dear Year 10 Families

Over the next weeks, your child will be completing their Mock exams. Although this has been shared with your child, this includes some additional information and outlines what will now be direct contact from me (Mr Watkin) to ensure the very best success for your child and indeed to support families.

## Attendance & Punctuality

- Attendance and punctuality is absolutely vital. Now Year 11 have left, your child is now our key focus. With this in mind, every action and record from now onwards will form the important communication to Colleges and form part of securing their places in post 16 study.

## How this Mock Exam data will be used

- These will be part of determining the level of entry your child is suitable for (higher or foundation) and give us and you the basis in which we can shape our support. Your child has already sat a mock in their core subjects, and this period is their first sitting of majority examined subject. These are sat in the Main Hall to ensure students experience the strict guidelines set by the exam boards. Some subjects (not on the schedule) will conduct further assessments and exams in their lesson time.

## GCSE June Mock Results & Year 11 Launch Evening

- **Thursday 16th July 4pm-5pm (student & family)**
- Mock Exam Results issuing
- Reminders for next year
- Target Presentation
- Final preparations for Year 11
