What is National Thank a Teacher Day?

Newsome
Academy

National Thank a Teacher Day is an annual event dedicated to celebrating **everyone** who works in education across early years settings, schools, colleges and universities in the United Kingdom.

It is run by the Teaching Awards Trust, the registered charity behind the Pearson National Teaching Awards.

The day exists to highlight the lasting difference members of school staff make, not only in academic achievement but in confidence, character and wellbeing. It is open to anyone who has ever been inspired by a member of staff, which makes it one of the most inclusive awareness days in the education calendar.

**At Newsome Academy we value every member of staff in our school community so join us in the
2026 THANK A MEMBER OF STAFF SCHOOL EVENT!**

NOW is your opportunity to show your gratitude. You will know a member of staff who makes all the difference to your academy experience. Your team leader has specially printed cards for you to personalise with your own neat hand-written message to deliver to a member of staff.

Make a member of staff smile!

Who do YOU want to thank and why?

Thank you for always seeing the best in me, even when I doubted myself. Your encouragement has pushed me to aim higher and believe in my goals.

Your patience and kindness make learning a truly enjoyable experience. Your lessons are fun! We work hard, learn a lot but laugh a lot too!

Every day you greet me with a smile and kindness. It means the world!

"I am grateful for the way you make learning feel less like work and more like discovery. Your belief in me helped me believe in myself."

In July we also show our GRATITUDE to the National Health Service - NHS

The NHS celebrates its anniversary on 5th July each year, marking the founding of the National Health Service in 1948.

Historical Background

The National Health Service (NHS) was officially launched on **5th July 1948** by Aneurin Bevan, the then Minister of Health, as part of the post-war Labour government's initiative to provide **universal healthcare free at the point of use** for all UK citizens. Its first patient was a 13-year-old girl named Sylvia Diggory, admitted to Park Hospital in Manchester with liver problems. The NHS was created to replace a fragmented healthcare system and ensure that medical care was based on need rather than the ability to pay.

Significance

The anniversary, also known as **NHS Day**, is a time to celebrate the service's achievements and recognize the dedication of its workforce. Over the decades, the NHS has pioneered medical innovations, improved life expectancy, and expanded mental health and community care services NHS England. It has grown to include **1.3 million staff from over 200 nationalities**, supported by around five million unpaid carers. The anniversary also highlights the NHS's resilience, particularly during challenges such as the COVID-19 pandemic
