

Jeans for Genes Day - Friday 11th September 2026

Dear Parents and Carers,

We will be taking part in this year's **Jeans for Genes Day 2026 on Friday 11th September**.

1 in 25 children – on average one child per classroom - has a genetic condition that makes their life very challenging. Jeans for Genes works with schools, companies and individuals all over the UK to help services and support for the children and their families affected by genetic conditions. Together, through fund and awareness raising, we can help make a real difference to their lives.

All children and staff are invited to wear their jeans or something blue on Friday 11th of September. We would really love to see as many students as possible in their jeans or something blue, so please encourage your child to come into school on the day wearing their jeans or something blue. Your child should bring in a £1 donation which will be collected by Heads of Year and Team Leaders that morning; money collected will go towards the charity. Thank you.

If your child does not have a pair of jeans or something blue, they may wear appropriate non-uniform. Please note outdoor wear and caps/hats may not be worn inside school.

Yours faithfully,

Krystyna Stokes

Assistant Headteacher – Personal Development
