

YOU BELONG HERE

A FIRST WEEK TO BE PROUD OF

Starting secondary school is a big moment. In only a few days, our new Year 7 students have found their way around, met new teachers and begun building friendships across the year group.

We have seen courage, kindness, curiosity and plenty of growing confidence. Students threw themselves into team building, supported one another and showed us what a brilliant year group they can become.

We cannot wait to see what they achieve next.

YOUR YEAR 7 TEAM

We are here to celebrate success, answer questions and help every student feel happy, safe and ready to thrive.

MS HALL

YEAR 7 SLT LINK

Supporting students, families and the Year 7 team throughout the year.
