Year 7 & 8 -Match Report 13/10/26

The girls were outstanding in their 3-0 victory over King James School. From the first whistle, they played with confidence, energy, and excellent teamwork. The girls created plenty of chances and defended brilliantly when needed, resulting in a well-deserved win. It was a fantastic all-round team performance, and they should be extremely proud of the commitment and quality they showed throughout the game

Year 7 & 8 -Match Report 13/10/26

The girls put in a fantastic performance against Honley High School despite narrowly losing 2-1. The team showed great determination, worked hard for each other, and played some excellent football throughout the match. Their passing and teamwork improved as the game went on, and they were unlucky not to score more goals. The girls should be proud of their effort and positive attitude from start to finish

Year 9 Kirklees Rugby Festival at Salendine Nook

A huge congratulations to the physical efforts and teamwork to all the year 9 students.

You were fantastic and should be so proud of your achievements.

All students need to join a local rugby club.

A fantastic attitude and special mentions to all from other school coaching staff.

Well done!

Year 8 Kirklees Rugby Festival at Salendine Nook

A huge congratulations to the physical efforts and teamwork to all the year 8 students.

A close game against Holmfirth, 14-6 loss and an amazing victory against Salendine Nook High School 27-14.

What a fantastic achievement for your first ever rugby fixtures and excellent comments from the opposition coaching and teaching staff.

You should be so proud of your efforts.

Congratulations!

Year 8 Netball -Match Report 01/10/26

The girls put in a fantastic performance against Honley, narrowly losing 12-8 to a very strong side. It was great to see them play such slow, controlled netball throughout the match, showing patience, composure, and excellent teamwork. They moved the ball well around the court, made good decisions under pressure, and competed strongly from start to finish. The scoreline is a fantastic result against quality opposition, and the girls should be very proud of their effort and performance

Year 9 -Match Report 15/10/26

The Year 9 girls put in a fantastic performance against a very strong Honley side, narrowly losing 1-0 in a closely contested match. Throughout the game, the team showed great determination, resilience, and teamwork, working hard both in attack and defence. They remained organised under pressure and created some positive opportunities of their own, never giving up despite facing a strong opponent. The scoreline did not reflect the effort and commitment shown by the entire squad, who should be proud of their performance

Year 9 -Match Report 15/10/26

The Year 9 girls followed up with another impressive display against a strong King James team, again losing by a narrow 1-0 margin. The players demonstrated excellent work ethic, supporting each other across the pitch and competing for every ball. Their defensive organisation and positive attitude helped keep them in the game throughout, and they continued to battle until the final whistle. Although the result did not go their way, the team showed real character and can take plenty of positives from such a competitive performance against quality opposition

Show Racism the RED Card - Monday 19th October, 2026

Dear Parents and Carers,

Throughout the month of October, some of our students have been presenting the importance of Black History Month through a variety of whole school presentations, which have included: information sharing, powerful poetry recitals and soulful singing. Our weekly whole school seminar presentations can be found in our weekly Family Newsletters which are on our website and they are updated every week; they are also shared through X and sent out to families via Bromcom.

This week we will be taking part in this year's **Show Racism the RED Card 2026 on Friday 23rd October, commemorating three decades of Show Racism the RED Card.**

Show Racism the Red Card Education Hub, this year have said:

- 2026 marks the 30th year of Show Racism the RED Card – the UK's leading anti-racism education charity.
- Reaching over 1.4 million young people with SRtRC's anti-racism workshops, we are in awe of all the support we have received over the years. Anti-racism education is needed now more than ever and reaching our 30th year only makes us more determined to keep spreading the important message of anti-racism.
- As our co-founder, Shaka Hislop says himself: "It might take another 100 years to dismantle racism, but we'll get there." (quote from an interview by the Guardian)
- Although we are proud to have reached this milestone, there is still a long way to go. The Black Lives Matter movement in 2020 and the UK race riots that we faced in 2024 were recent examples that hate and misinformation is a necessary issue to address.

All children and staff are invited to wear something RED on Friday 23rd of October, so please encourage your child to come into school on the day wearing their RED clothes.

Students can make their £1 donation on Parent Pay any time this week and all money collected will go towards the charity and towards our community fund. Thank you.

If your child does not have something red, they may wear appropriate non-uniform. Please note outdoor wear and caps/hats may not be worn inside school.

Jason Arday: More Than a Stereotype

Jason Arday was a British academic who became a professor of the sociology of education at the University of Cambridge in 2023. He made history by becoming the youngest Black professor in the university's history. His achievement was significant because Cambridge is one of the most prestigious universities in the world.

In July 2026, allegations of plagiarism and inaccuracies in his biography became public. These allegations attracted widespread media attention, with more than 250 articles reportedly published about him. His academic work, intelligence and right to hold his position came under intense scrutiny.

His PhD-awarding university had initially cleared him of the allegations, and Cambridge had also initially supported him. However, Cambridge later considered opening a further investigation. Arday resigned from his position in August 2026. Jason Arday was subsequently reported to have died by suicide. His experience raises important questions about the effects of public pressure, the treatment of Black academics and the impact of racial prejudice.

What does this teach us about racism?

Racism can affect more than how someone is treated in a single moment. It can influence whether people feel accepted, whether their achievements are recognised fairly and whether they feel they belong. When someone is repeatedly questioned, stereotyped or made to feel that they do not deserve their success, this can contribute to stress, isolation and damage to their confidence and wellbeing.

Jason Arday's story reminds us that nobody should be judged by the colour of their skin or made to feel that they must work harder than others to prove they deserve to be somewhere. Every person deserves fairness, dignity and respect.

Think about this: If someone from your school achieved something amazing, would you celebrate their success, or would you look for reasons why they did not deserve it?

The kind of school we want to be is one where people are recognised for their abilities and achievements, where unfair treatment is challenged, and where everyone feels that they belong.

Brief Summary

This poem explores the racial abuse and discrimination the speaker (presumed to be Zephaniah) has experienced throughout his life. The speaker asserts that he is not the problem. The problem lies with those who perpetrate this abuse.

Synopsis

- The speaker explains how he was subjected to racist behaviour at school.
- He further explains how teachers as well as students were prejudiced towards him, **“pigeonholing”** him due to his race..
- The speaker repeats again how he is not the problem, and the problem lies with those who demonstrate their ignorance and hatred.
- The first stanza concludes with the speaker affirming that he knows he’s not confined by stereotypes; he is **“versatile”.** He also asserts his resilience; he’s determined not to let his experiences get him down. He greets everyone **“wid a smile”** and refuses to let their beliefs about him alter his self-perception.
- The second stanza displays the speaker’s awareness that the racism they’re experiencing is a societal issue which will affect him his whole life. However he’s not going to hold a grudge. He knows that he is not the problem, racists are.
